Highlights

ScanBalt Forum 20 - 23 November 2012, Tampere (FI) - Register Now!

The 11th ScanBalt Forum is organised by the Baltic Institute of Finland and Tampere University of Technology, Department of Biomedical Engineering and BioMediTech.

The Forum will be held in Tampere Hall, Scandinavia's largest congress and conference center.

For diverse organisations from business and industry to research and public policy, the annual ScanBalt Forum provides an invaluable platform for collaboration and international networking, fostering the innovation and competitiveness of the region.

ScanBalt Biomaterial and Tissue Engineering Days 20 - 23 November, Tampere (FI) - Register Now!

The aim of the Days is to strengthen the cooperation in the field of Biomaterials, Tissue Engineering and Biomedical Technology research among the ScanBalt BioRegion countries.

The knowledge in the different regions are reported and discussed and the potential for enhanced collaboration explored.

The focus of this conference is on academic research and possible industrial applications in the future.
