

New Smart Phone App—Endocrinology and Endocrine Emergencies

Thyroid Disease Manager® offers an up-to-date analysis of thyrotoxicosis, hypothyroidism, thyroid nodules and cancer, thyroiditis, and all aspects of human thyroid disease and thyroid physiology. It provides physicians, researchers, and trainees (as well as patients) around the world with an authoritative, current, complete, objective, FREE, and down-loadable source on the thyroid. This website is directed to helping physicians care for their patients with thyroid problems. WWW.THYROIDMANAGER.ORG is updated continually (last updates 17 Oct 2012) with important new information, and major revisions are done annually. The latest revisions were introduced 17 October 2012. **We greatly appreciate contributions for support of THYROIDMANAGER.ORG. Contributions are tax-deductible, and should be sent to Endocrine Education, Inc. P O Box P-94, 24 Nonquitt Ave, South Dartmouth, MS 02748.** For all inquiries <ldegroot@earthlink.net> [CLICK HERE FOR VOLUNTARY REGISTRATION](#) – Receive information on updates, News, ThyroidManager events.
