Publication details

2010 Annual report on the state of the drugs problem in Europe

The report on the state of the drugs problem in Europe presents the EMCDDA's yearly overview of the drug phenomenon. This is an essential reference book for policymakers, specialists and practitioners in the drugs field or indeed anyone seeking the latest findings on drugs in Europe. Published every autumn, the report contains non-confidential data supported by an extensive range of figures

Corporate author(s): EMCDDA — European Monitoring Centre for Drugs and Drug Addiction
Themes: Social problems, Health policy
Target audience: Specialised/Technical
EuroVoc: European Monitoring Centre for Drugs and Drug Addiction, annual report
