Settling In: OECD Indicators of Immigrant Integration 2012

This publication presents, for the first time, a comprehensive international comparison across OECD countries of the economic and social integration outcomes for immigrants and their children, together with a broad range of contextual information. It aims at giving an initial point of comparison, in the perspective of a regular monitoring of comparable indicators of integration across OECD countries.

OECD Economic Outlook, Volume 2012 Issue 2

The OECD Economic Outlook is the OECD's twice-yearly analysis of the major economic trends and prospects for the next two years.

Restoring Public Finances, 2012 Update

This report gives an update on fiscal consolidation strategies across OECD member countries since last year.
