### DermNet NZ: the dermatology resource

DermNet NZ was established by the New Zealand Dermatological Society, the national association of New Zealand registered dermatologists, to provide information about skin diseases, conditions and treatment for patients and their health professionals. Information provided on DermNet NZ should not be regarded as medical advice for individuals.

DermNet does not provide an on-line consultation service.  
If you have any concerns with your skin or its treatment, see a dermatologist for advice.
