Simple Tasks  
Campaign

The banner features a dark green background on the right with the text "ABSTRACTS AVAILABLE" in large yellow letters. Below it, in smaller white text, it says "SEARCH for abstracts by author, institution, presentation number, title, category, keyword, and partial name search. Build your complete annual meeting itinerary or simply peruse the abstract concurrent and poster sessions – it's all at your fingertips." On the left, there is a screenshot of a website interface with a "Password" field, a "NEED LOGIN HELP?" link, and a navigation menu with "My Annual Meeting", "Abstracts" (highlighted with a mouse cursor), and "SessionSelect". Below the screenshot, the text "ABSTRACTS NOW AVAILABLE ONLINE" is displayed in white, with "View 2012 ACR/ARHP Accepted Abstracts" underneath. At the bottom of the banner, there is a navigation bar with numbered tabs 1 through 5.

### New Online Course

The ACR is proud to announce a new online course called the Fundamentals of Rheumatology Course. This course was created to meet the specific needs of those new or transitioning back into rheumatology practice such as nurses, medical assistants, licensed practical nurses and office managers, staff or other clinicians looking to adapt and develop their skills to support the multi-faceted care and management of persons with rheumatology. This is also a great way to earn contact hours toward continuing education.
