Publication details

2004 Annual report on the state of the drugs problem in the European Union and Norway

The report on the state of the drugs problem in Europe presents the EMCDDA's yearly overview of the drug phenomenon. This is an essential reference book for policymakers, specialists and practitioners in the drugs field or indeed anyone seeking the latest findings on drugs in Europe. Published every autumn, the report contains non-confidential data supported by an extensive range of figures.
