Search our database of publications

Our mission is to make Europe's workplaces safer, healthier and more productive, and our publications, which are made freely available, play a key part in this. Whatever your particular area of interest or industry sector, we have something for you.

You can either use the form below to search our publications' database or [search by publication type](#).

Free Newsletter

Get our monthly update on safety and health at work.

You could use our [Alert Service](#) too!

Search publications:

Keywords

Select one of the following keywords to filter the publications. You can always remove the filter again by selecting the empty entry.

- Research
- Risk assessment
- Risk observatory
- Road Transport
- Statistics

Search Text

For a simple text search, enter your search term here. Multiple words may be found by combining them with **AND** and **OR**. The text in this field will be matched with items' contents, title and description.
